Banahatti, Karnataka, India

Profile

Artificial Intelligence and Machine Learning engineering student with skills in Python, Java, C, Power BI, Machine Learning, Data Analytics, and Front-End Development (HTML/CSS/JavaScript basics). Built hands-on projects in machine learning and dashboard development, with strong problem-solving abilities and interest in AI, web development, and software engineering. Seeking internship opportunities to gain industry experience.

Experience

Web Development Intern | Newgen Software

Completed internship in web development, gaining hands-on experience in front-end development and web application concepts.

Education

Artificial Intelligence And Machine Learning – Degree 2023-2027

Bgmit, Mudhol

- GPA : 8.3 CGPA (3rd Year)

Pre - University Course in Science (PCMB) - 12th 2020-2022

Konnur Pre-University College

- Percentage: 79%

Padmavati International School (CBSE) -10th 2016-2020

- Percentage: 86.6%

Skills

1.Languages: Python, Java, C programming

2.Core CS: Data Structures & Algorithms, DBMS, OOP

3.AI/ML: Basics of Artificial Intelligence and Machine Learning, NLP

4.Web: HTML, CSS, JavaScript

5.Tools: GitHub, VS Code, Power BI, Google AI Studio, Anti-gravity, Firebase, Cloud

6.Soft Skills: Problem-solving, analytical thinking, teamwork, quick learner

Projects

1.Car Price Analysis using Power BI (2023-24)

Built an interactive Power BI dashboard to analyze car prices and identify key pricing trends through data cleaning and visualization.

2.AI-Based Radiology Report Generation using Vision Transformer (2024-25)

Built an AI system using Vision Transformer (ViT) to generate radiology reports, with a Streamlit interface for automation.

3.Food Calorie Prediction System (2026)

Built an ANN-based calorie prediction web app using Python and Streamlit.

4Automatic Bus Schedule and Route Management System using Deep Learning(Ongoing 2026)

Developing a deep learning-based system for automated bus scheduling and route management optimization.

Certifications

1. NPTEL Certificate – Natural Language Processing – scored 67%

2. Won 1st Place - College Debate Competition

3. Won 2nd Place in AI Prompt Storm Competition (College Level)

4. Secured 3rd Rank in Academic Performance during 3rd Semester

5. Artificial Intelligence Certification (including Power BI) – Adverk Technologies

6.C Programming Certification – Infosys

7.Data Structures and Algorithms (DSA) Certification -Udemy

8.Hackathon Participation Certificate – College Level

9.Hackathon Participation Certificate – Atria University, Bangalore

10.Debugging Competition Participation Certificate – Adichunchungiri College, Chikmagalur

11.Quiz Competition Participation Certificate – Adichunchungiri College, Chikmagalur

12. Qubitathon Participation Certificate (Ideathon)– VTU University, Belagavi

College Leadership Activities

11/2023 - 24/11/2023
BGMIT, Mudhol

Volunteer in ISRO worlds space week 2023

Volunteer in the world space week conducted by liquid propulsion cent ISRO
Bengaluru
